

Sickle Cell Science Fair

Do you or your child have an interest in the world of science and healthcare? Are you looking for a way to learn more about how the two combine to treat a disease that impacts millions around the world? Nemours Children's Center for Cancer and Blood Disorders is offering an exclusive chance for families to take part in the Sickle Cell Science Fair.

Event Date and Location

Join us on Saturday, September 24 from 10 a.m. to 2 p.m. for a fun-filled time at the beautiful Nemours Estate.

Event Details

This free event will offer a wide variety of opportunities for you and your child to experience how Nemours Center for Cancer and Blood Disorders is helping provide research, treatment, and education for patients diagnosed with sickle cell disease and sickle cell trait. This event includes:

- **Cooking demonstrations**
- **Blood drive to support the Blood Bank of Delmarva and the Sickle Cell Association of Delaware**
- **Bone marrow drive for "Be the Match"**
- **Hands- on education stations and activities to learn about sickle cell disease and sickle cell trait**
- **Raffle hosted by the Sickle Cell Association of Delaware**

The Sickle Cell Science Fair is Hosted by the Nemours Center for Cancer and Blood Disorders and the Sickle Cell Association of Delaware in partnership with the Blood Bank of Delmarva, Be the Match, Christiana Care. The event is made possible with funding through the Nemours Children's Community Engagement Office, the Sickle Cell Disease Center of Biomedical Research Excellence, and Global Blood Therapeutics.
